The CHEA Committee on Recognition and the Board of Directors reviewed WASC Senior College and University Commission (WSCUC). The review was based on the six CHEA recognition standards that require an accrediting organization to show that its accreditation process advances academic quality, demonstrates accountability, encourages self-scrutiny and planning, employs fair and appropriate procedures and demonstrates ongoing review of practice, and that it possesses sufficient resources to carry out its accreditation processes ([2010 CHEA Recognition Policy and Procedures, Paragraphs 12A-12F, pp. 5-8](#)).

WSCUC demonstrated that it meets these standards and that its accreditation process is consistent with the quality improvement and accountability expectations that CHEA has established.

**Additional Determination:** WSCUC is required to submit a report that provides evidence that institutions or programs are routinely providing reliable information to the public on their performance, including student achievement as determined by the institution or program (Paragraph 12(B)(1), [2010 CHEA Recognition Policy and Procedures](#)).
